Maria,

When does the U.S. EPA intend to mail the revised General Notice of Liability letter? I have not yet received a copy.

Please advise.

Thank you.

### CONFIDENTIAL SETTLEMENT DISCUSSIONS

As a follow up to our discussions on 3/26/14, I am forwarding a dump list IDEM provided, indicating that residue from the Kokomo Teepee Burner went to the Graves Dump; and the Dixon Road Site Assessment report, which shows contamination at the Dixon Road Site, including PCB aroclors, essentially the same as those found at the adjacent Kokomo Dump Site. I am forwarding the documents we obtained on the 1958 case by separate Email.
